To support programs and services for children and families in need.

We see a world where children and families are empowered to reach their full potential. **UMFS' mission is simple: *Touch a life. Create a future.*** We have been a leader in providing services to children and families in our community since 1900. With over a century of experience and expertise, we innovate and take risks to find creative solutions to difficult issues facing children, families and communities. We offer services including treatment foster care, adoption, in-home services, mentoring, residential treatment, and therapeutic schooling for ages 11-18. Most of the children we care for have experienced severe abuse and or neglect. We believe every child deserves caring relationships and lifelong connections. **UMFS provides services and treatment for more than 6,000 children and families each year in Virginia with locations in Richmond, Alexandria, Centreville, Charlottesville, Farmville, Fredericksburg, LaCrosse, Lynchburg and Virginia Beach.**

The **UMFS 4th Annual Auction** will be held **Saturday, October 4, 2008, from 7:00 P.M. – 11:00 P.M.** Through the generosity of individuals and community partners, the 2007 auction was able to raise \$83,500. Funds raised by the auction allow **UMFS** to provide our vital services for children and families in-need.

It is my hope that you will consider a donation to support this event. Be a partner with us and *Touch a life. Create a future.* Please contact me with any questions. I thank you for considering this request.
