

*Each year UMFS serves thousands of children and their families in seven regional centers around the state through innovative programs in adoption, counseling, foster care, mentoring, residential and day treatment for troubled youth, and a high school educational program at Charterhouse School in Richmond.*

*Through your tax-deductible gifts to UMFS, you can help at-risk children and their families learn to live productive and fulfilling lives that benefit themselves and their communities. Please join me in supporting UMFS with your gift today. Together, we can turn lives right side up.*

## Your Support Makes a Difference

More than 2,900 children and families in Virginia are touched by your support each year. From a child in our residential program who has nowhere else to go, to parents who dream of adopting, your support touches lives and creates brighter futures. Children come to us from all walks of life, often from difficult circumstances including physical and emotional abuse, substance abuse, disrupted education, abandonment, loss of family members, or worse. Supporting UMFS helps us meet the most pressing needs of our children and families by ensuring both the present and the future of our programs and services.

## Planned Giving and The 1900 Society

Through effective gift plans like bequests and other vehicles, many UMFS donors are able to balance their personal financial goals with charitable interests while realizing significant tax benefits. Through planned giving, you can increase your current income or provide additional retirement income while earning a current tax deduction and providing for a future gift to UMFS. Donors who choose this option can be listed in *The 1900 Society*, a roster recognizing all donors who have made planned gifts.

## Matching Gifts

Matching Gifts are company contributions that match the donations made by employees of that company, sometimes on a one-to-one, two-to-one, or three-to-one basis. Donors can increase the value of their gift to the Guardian Parent Program with a matching gift. Ask your employer for more details.

## Guardian Parent Program

The UMFS Guardian Parent Program provides unrestricted funds from individuals, corporations, foundations, churches, and organizations that meet the greatest and most pressing needs of the agency. Gifts to the Guardian Parent Program are tax-deductible.
