

YOU can help children
in foster care achieve
a brighter future.

From Foster Care to College Campus

When Melvin was 15, his life changed dramatically. He entered foster care. He was referred to United Methodist Family Services, and got involved in the UMFS Project LIFE program. Project LIFE helps equip teens in foster care with critical life skills so they can be successful when they age out of foster care.

“I’ve grown a lot. I learned that I have a voice.”

Melvin was skeptical at first, but over time he became one of Project LIFE’s most active members. He attended support groups, worked with a volunteer mentor, and took on leadership positions and speaking opportunities. The skills Melvin developed through Project LIFE helped him achieve a major life goal: college. Today, Melvin is proud to be a student at Old Dominion University. Thanks to your support, he’s on the road to a brighter future.

Your Gift is Needed

Members of local churches are crucial partners in this mission, providing critical donations, serving as volunteers, and lifting us up in prayer. Because UMFS does not receive any apportionment funds from the Virginia Conference, your generosity is invaluable. Your gift to UMFS helps children and families in crisis, providing them with much-needed resources and tools for success. Together we can help break the cycle and create a brighter future for children across Virginia.
